10 April 2018 -

12:00 to 20:30

We know you want to help your child enjoy learning English. You want them to be taught by qualified teachers, to feel safe and relaxed, and to become independent and confident. We know this, because over the past 80 years more than 100 million people have improved their English with the British Council around the world. Our methodology has enjoyed the trust of millions of parents.

British Council has been in Romania for 80 years. Come and meet us on Tuesday, 10 April!

If you have never visited our premises at 14 Calea Dorobanți, if you don't have a subscription to our @British Library or if you have never talked to our teachers, now is the time. We have prepared a full day of activities for parents and children aged 3 to 17 years.

We will have presentations for parents and demo lessons for children at the same time, so that your child can experience our classes, while we tell you about the British Council methodology. You will also get to meet our teachers and learn how to help your child learn English at home. For teens, we have prepared a very exciting session about exams and student life in the UK. At the end, they can take part in a demo debate session.

Sign up now to one of the sessions and come on 10 April to meet us. For parents with children between 3 and 7 years old and 8 to 12 years old, we have prepared two identical sessions from 12.00 to14.00 and 18.00 to 20.00. For parents with children between 13 and 17 years old or teens over 14 years old, we have prepared a session from 12.00 to 14.00.

On the links below you can find the schedule for each session.

Sign up now! Places are limited.
