

☐☐ **FameLab International is an exciting competition, which aims to discover the world's brightest minds in science and engineering.**

☐☐☐ **This global competition has become an established model for successfully identifying, training and mentoring scientists and engineers who love to share their enthusiasm and passion for science.**

About FameLab Romania

In 2015 we are running the 8th edition of FameLab Romania. The global competition is open to anyone, aged between 18 and 35, studying or working in science, technology, engineering, medicine or mathematics.

English language, at least at an intermediate level, is an absolute prerequisite for the lucky contestants who will make it to the international phase of the FameLab competition.

The finest and most brilliant minds become famous at FameLab. Can you excite and entertain an audience with a concept in science, mathematics, engineering and technology in under 3 minutes? Then join the FameLab regional heats!

Registration

We will be selecting the FameLab Romania finalists during the regional heats which will take place in Bucharest, Cluj, Iași and Timișoara which will take place between 2-25 April 2015.

How can you take part

1. Read first the "FameLab terms and conditions" available for download below.
2. Choose the heat you want to join.
3. Fill in the registration form available for download below and make sure you select the date/city/university where you would like to deliver your presentation. Send the registration form to famelab@britishcouncil.ro within the deadline for your chosen heat.
